

Mapping of Employer (formal & informal) and local business entities For the project's participating families' youths

FGD Questionnaire

INTRODUCTION

Good morning/afternoon. My name is MAZHARUL KADIR I am working for Bangladesh Open Innovation Lab (BOIL). This is an NGO & research organization working for Human life Development. With me today there are also Dr. ISMATH (Mrs) Zoh from MJSKS.

We are here today to better understand your needs, who you think are the most employment/earning scope and how can **HEKS** assistance that. This discussion will focus on community-level trends and expectation and NOT on personal or specific person. If you would like to discuss individual issues, you can do so at the end of the discussion by approaching the facilitator.
